

Something to think about...

Wendlebury had a churchyard care workshop recently, with lots of advice and help from the Kirtlington Wildlife and Conservation Society. Charles Darby explains: "scything has many advantages over mowing, being quieter and less polluting, but also being better for micro-habitats and wildflower management." The Benefice Eco group is working to raise the funds to buy some benefice scythes and rakes; watch out for developments!

For the joint Chesterton/Wendlebury Remembrance service Olivia and the "Little Makers" made a special display, right. The Little Makers will be taking part in the Wendlebury Christmas Eve Crib Service, too.

Bletchington Church have once again sent shoeboxes packed with Christmas gifts to go to children across the world who wouldn't otherwise have presents.

There will be a **BIG BREAKFAST** on Saturday 6 December, at Weston Village Hall, 0930-1230

RISE AND SHINE continues until 17th December when it finishes with a Christmas party. All welcome to join in the fun and share the cakes. Kirtlington Church 9.15 - 10.45.

The Green Corner

Chesterton Church's Eco Mission Statement on display in the newly-painted and shining church, (for which see above):

We recognise the goodness of creation; we acknowledge and lament our part in the environmental crisis of the world in which we live. We recognise that action to address this is integral to Christian faith, life and worship. We commit to working towards safeguarding the integrity of creation sustaining the life of the earth.
